SUPERINTEDENT'S REPORT

Jefferson, N. H., Feb. 1, 1938.

Following is presented my fourth annual report together with statistics of the schools of Jefferson.

The schools opened the present year on September 13th with two changes in the teaching corps. Miss Mary Mead, a graduate of the University of New Hampshire, is now teaching as assistant in your High School and Miss Ruth Brown of the Keene Normal School has charge of the Meadows School.

Another step in the attempt to give more attention to individual pupils was made in the closing of Starr King School where the enrollment was small and transferring both teacher and children to the Hill School, where Mrs. Nellie Muzzey is now handling the

first three grades and Miss Elizabeth Carpenter has charge of Grades 4-5-6. The registrations in these two schools is still somewhat low to warrant State Aid.

The Senior High opened the year with an enrollment of 32 pupils, as follows—Seniors (4), Juniors (11), Sophomores (10), and Freshman (7).

In the Junior High, sixteen were registered but one pupil has withdrawn on account of ill health.

The usual health examinations have been conducted by the School Physician, Doctor Aldrich, and School Nurse, Mrs. Spaulding. Cards informing parents of physical defects discovered in this examination have been sent out.

Woody Arithmetic tests have been given and Seniors have been given the Otis General Intelligence Test.

The initial appearance of the school annual, "The Jeffersonian," received much favorable comment and was a success in a financial way. Plans are now under way for a second issue this year.

The High School Dramatic Club has presented a four-act comedy in a very creditable manner. Mrs. Nellie Muzzey acted as coach at the presentation.

Each class in High School now has a bank book and the Seniors have raised sufficient funds to finance a trip to New York during the Easter Vacation.

The Athletic teams of the High School are enjoying good success and new equipment has been purchased.

A Winter Sports team has been organized and has won several prizes in competition with other North Country Schools.

At the close of the year in June last Graduation exercises in a combined form were held for all the eighth grade pupils in conjunction with the High School. Nearly all the pupils who finished eighth grade are now continuing with their work in High School.

The School Board and Superintendent have made an estimate of a proposed budget for 1938-39 and the estimate will be found in another part of this report.
